we should take these bills up with a very minimum amount
of debate and either vote for or against them. So, the
bills can be advanced at this time and save us from coming
back late this evening.

PRESIDENT: First of all we ought to move 821. Senator
Kremer.

SENATOR KREMER: (no response)

PRESIDENT: Senator Wiltse moves that 821 be advanced. All
in favor say aye. Oh, Senator Mills.

SENATOR MILLS: Mr. President,I would like to have a machine
vote.

PRESIDENT: Alright, clear the board. The question is shall
821 be advanced. Please vote. Have you all voted? Please
vote. Record. Senator Kremer, Senator Wiltse, Senator
Swigart. All right, Senator Swigart moves that the House
be put under call. Record your vote on that matter. Record.

CLERK: 10 ayes, 14 nays.

PRESIDENT: The House is not under Call. Report the vote.

CLERK: 23 ayes, 17 nays.

PRESIDENT: Bill fails to advance.

CLERK: Mr. President, I move to return 987 to Select
File for a specific amendment. Signed, Senator Bereuter.
Read amendment.

PRESIDENT: Senator Bereuter.

SENATOR BEREUTER: Mr. President, members of the Legislature.
I ask your endulgence for one more crack at 987. This handles
the problem of the effective date. Senator Marvel has agreed
to removing his amendment. He asked me...he authorized me
to speak for him in his behalf. I have talked to the co-
introducers of the bill. This would enable the Commission
to function that it would not be able to make its rules
and regulations effective until the effective date of
July 1, 1977. I would offer this for the record, that it
is a little hard to tell what is Section 122 at the moment
so for the Revisor of Statutes we are talking about Section
114 and following to be effective July, 1977. I move for
the return of the bill to Select File for this specific
amendment.

PRESIDENT: Any further discussion? If not the motion is
to return. All in favor vote aye, opposed vote nay. Have
you voted? Have you all voted? Would you please vote one
way or the other. Thank you. Clerk will record.

CLERK: 28 ayes, 7 nays.

SENATOR BEREUTER: Mr. President, I move for the adoption
of the amendment.
